New York, New York 10278

Dear Ms. Feldstein:

Enclosed are nine (9) copies of the draft Project Operations Plan (POP) dated November 18, 1985, for the remedial investigation at the Scientific Chemical Processing site in Carlstadt Township, New Jersey. The draft POP will be finalized when your comments are received.

In our telephone discussion of November 18, 1985, agreement was reached on two modifications of the requirements of Section 28, Paragraph G of the Administrative Order of Consent (Index No. II CERCLA-50114), which are listed as follows:

1. Dames & Moore will retain the original POP and will provide additional copies at your request.
2. The POP copies will be hand delivered to you and to the SCP - Carlstadt Site Attorney with receipt acknowledged by signature on the attached form.

Please contact the undersigned if you have any questions or require additional information.

Very truly yours,

DAMES & MOORE
